*** During the transition to our new building, the First Grade team worked together to inventory and combine supplies across classrooms. In doing so, we found that we have plenty of some of the materials originally published on the 1st Grade Supply List for the 2025-2026 school year. **As a result, and in an effort to be good stewards of your resources, we would like to offer you a revised and simplified first grade supply list.** Strikethrough represents changes in the previously posted list for 2025-2026.
