Summer Reading for Students Entering 7th Grade

We are excited you will be coming to Westminster in the fall! Students are required to complete a summer reading assignment, and you will find the information below. Reading can take you to new worlds. We hope you discover wonderful places this summer.

This summer, you are to read a total of 3 books:

- the required reading (*Roll of Thunder, Hear My Cry* by Mildred Taylor)
- a book from the attached list
- a book of your choice (per your parents' approval).

Please Note: Any book read over the summer to complete the summer reading requirement counts for summer reading only, not for 7th and 8th grade AR or for 9th grade IR.

1. On the attached reading verification form, please list the title and author of the book you chose from the list and the title and author of the book of your choice. Parents **and** students should sign the form indicating that the student has read the 2 books listed in their entirety and that the student has not read the books before. This form is to be handed in on the **first day of school**.

2. On the **third day of school**, you will have a comprehension test on the required reading. You will be tested on the plot of the novel and on your understanding of the events in the novel. If you read the required book early in the summer, you will want to review before the test. You do not need a copy of the novel on test day.

3. On the **fourth day of school**, you will participate in a class "book chat" in which you will have the opportunity to share and discuss one of the additional books you read. The preparation needed for the book chat will be discussed with you in class. Having the book with you during the book chat will be helpful though it is not required.

*As stated above, having a copy of the required reading novel is not necessary on test/book chat day. Therefore, feel free to download books onto e-readers or even take advantage of audio books. Just keep in mind with audio books that students may need to review in order to prepare for the test and/or book chat.

Late Registering Students:

*Students registering after July 15 are responsible for the required book only.
