

8th Grade School Supply List 2019-20

The 3-ring binder listed in the general section will be used for all classes that do not have an individual binder listed in that class section. Students will need dividers for each class section in the general binder. Some classes will require more sections and the number of those dividers needed are listed.

General:

- 4 boxes of tissues (to be delivered to the office)
- 1 can of wipes (to be delivered to the office)
- 3-ring binder large enough to hold multiple subjects
- Folder, pocket, section in notebook, or expand-a-file to keep returned papers in
- Binder dividers
- Loose-leaf filler paper college ruled
- Pencils- Ticonderoga pencils are great
- Pens (blue, red, black only)
- Highlighter
- Agenda - there will be agendas available at orientation for \$6.

Language Arts

- 4 divider tabs

Logic

- 3x5 index cards – one package
- 3-ring 1" binder with 12 tabs

Capstone Project

- 1 pocket folder with prongs
- 3x5 index cards – one package

Note on Calculators - Phones can't be used as calculators in the classroom.

Algebra 1 and Geometry

In Algebra 1, the students will begin using calculators for necessary concepts and need specific functions available to them. The TI30XS Multiview is the preferred calculator, but the TI34 Multiview is also acceptable. This will be used in Geometry as well. If you want to invest in the graphing calculator now, your student will be able to use it all the way through. Please realize that if something happens to the graphing calculator, it will need to be replaced for their upper level math and science classes

Algebra 2, Pre- Calculus, AP Calculus, Statistics, and AP Chemistry - students will need the graphing calculator TI83 or 84.
