Concussion Information and Acknowledgement Form

Parent and Student:

It is important that parents and students are educated about concussions. All concussions are serious, and concussions can occur in any sport.

1. Definition of Concussion: A brain injury that interferes with the normal brain function.
2. Cause of Concussions: A bump, blow, or jolt to the head or body that causes the head and brain to move quickly back and forth.
3. Signs and Symptoms of Concussions:

Headache	Slurred Speech	Answers Questions Slowly
Nausea	Moves Clumsily	Sensitivity to Light or Noise
Vomiting	Balance Problems	Unsure of Game, Score or Opponent
Dizziness	Forgets Instruction	Shows Mood, Personality or Behavior Changes
Confused	Numbness/Tingling	Cannot Recall Events Prior To or After Injury
Sluggish	Loses Consciousness	
Fatigue	Concentration Problems	
Blurry Vision	Slowed Thought Process	
Memory Loss	Difficulty Thinking Clearly	
Appears Dazed		

4. In accordance with Georgia Law, the following must occur if an individual exhibits signs, symptoms or behaviors of a concussion:
 - a. The individual shall be immediately removed from practice or competition.
 - b. The individual suspected of having a concussion shall be seen by an appropriate health care professional before the individual can return to athletic participation.
 - c. The individual shall not return to practice or competition the same day the concussion or suspected concussion occurred.
 - d. If no concussion has occurred, the individual can return immediately to practice or competition
 - e. If a concussion has occurred, the individual cannot return to participation in practice or competition until medically cleared by an appropriate health care professional.
 - f. An individual could never return to participation if the individual still has any symptoms of a concussion.
 - g. After clearance has been issued, the individual's actual return to participation in practice and competition should follow a gradual procedure suggested by the National Federation of High Schools and directed by the appropriate health care provider clearing the athlete for activity.
 - h. An appropriate health care profession may include licensed doctor or another licensed individual under the supervision of a licensed doctor such as a nurse practitioner, physician assistant, or certified athletic trainer who has received training in concussion evaluation and management.
5. The following information can be found online and is recommended for parents and students to read concerning concussions:
 - a. NFHS Suggested Guidelines for Management of Concussion in Sports.
 - b. NFHS, A Parent's Guide to Concussions in Sports
6. Parent and student should sign the form below. The school and parent should maintain a copy of this form.
