There are limited slots per session, so please RSVP to secure your family's slot ASAP.

We look forward to seeing you soon!

**RSVP by Monday, September 16th**

## Grandparents' Day 2024 Details

This year, we will be following a different format for Grandparents' Day. In lieu of our normal school day, we are excited to welcome all grandparents to campus to enjoy breakfast, a special program, and a classroom tour with their grandchildren. Please note there will be two separate sessions in order to allow adequate parking for all of our visitors. We ask that first session guests arrive no later than 8:05 and second session guests arrive no later than 9:50.

Students are welcome to extend their visit by leaving campus with their grandparents at the end of the morning. We will have early dismissal at 11:30 for any remaining students, as there will be no After School Program.
