

## Summer Reading for Students Entering 4th Grade

We are excited that you will be coming to Westminster in the fall. Students are required to complete a summer reading assignment, and you will find the information below. Reading can take you to new worlds. We hope you discover wonderful places this summer.

This summer, you are to read a total of **2** books:

Required Novel: *Quake! Disaster in San Francisco, 1906* by Gail Karwoski  
One novel from the Selection Novel List

1. During the first full week of school, you will take an AR test over the novel you read from the attached selection list.
2. During the first full week of school, you will have a comprehension test on the required reading, ***Quake!*** You will be tested on the plot of the novel and on your understanding of the events in the novel. If you read the required book early in the summer, you will want to review it before the test. You do **not** need a copy of the novel on test day.

Please note: WCA will be offering library hours for weekly book checkout in order to help encourage your child's progress throughout the summer. Students who complete the attached summer reading incentive form should bring it back to school in August and will receive a fun prize for their hard work. Required summer reading counts toward their minutes!

## Selection Novel List Fourth Grade

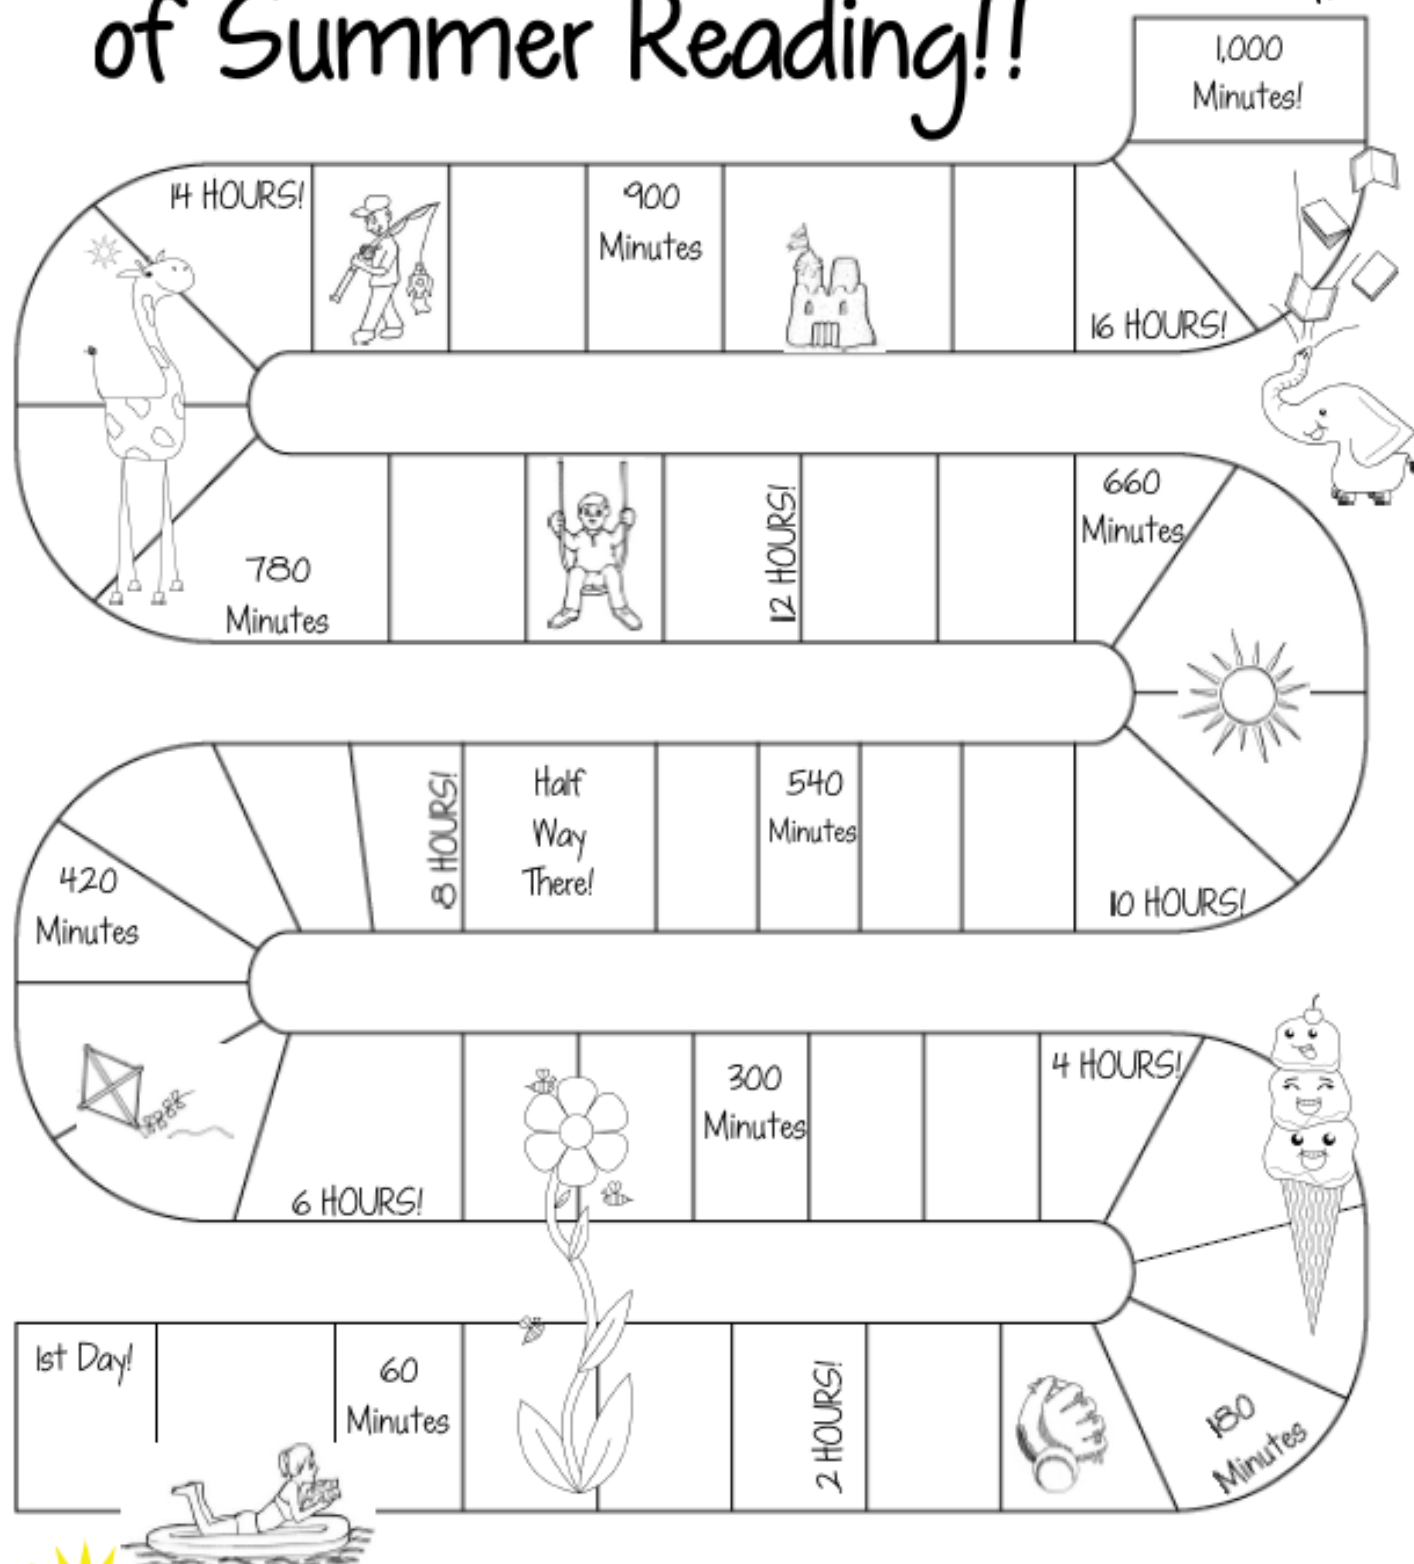

**Read one book from this list.**
