- I will maintain the minimum insurance coverage required by the school for volunteer vehicles and only volunteer to drive when such insurance policies and coverage are in force.

The school's insurance will take effect only after my personal auto insurance limits are exhausted. (Note: This is the only coverage that most non-profit organizations can provide because obtaining primary or direct coverage on the vehicles of volunteer drivers is cost prohibitive.)
- I will advise the school of any change in the information provided on this form including, but not limited to, involvement in a car accident in which I am cited, any citations for moving violations, non-renewal of license termination of license, change of insurance company, change in amount of insurance coverage or termination of insurance.
- All students riding in my vehicle (s) will be seated and secured with individual working seat belts. (No double belting of children is permitted.) No student under the age 13 may sit in the front seat of a vehicle with an airbag. As required by state law, I will have a child restraint seat, properly installed for each child age 4 or under.

- To my knowledge, my vehicle is in safe operating condition (brakes, tires, etc.)

Section III- Responsibilities for Drivers/Chaperones

- As a driver you are expected to obey all traffic laws, especially those governing speed limits. Documented incidences of speeding or unsafe driving will result in field trip driving / chaperoning privileges being rescinded.
- As a driver you will refrain from the use of a mobile phone while operating a vehicle. If the need arises to use a mobile phone while transporting students, please park your vehicle during phone usage.
- Students must remain in the same vehicle for the entire trip. The teacher will make vehicle assignments.
- Be prepared to stay with and supervise students under your care at all times. Refer discipline problems to the teacher.
- Chaperones may elect to allow students to listen to personal stereos, handheld electronics and game devices while on trips. Chaperones who do this should be aware that music or games gratifying violence, irreverence, or sexually explicit material are not acceptable at all. Chaperones are expected to censor listening or game materials if necessary.
- Remember to exercise authority and proper guidance over the children you transport.
- Monitor conversations for appropriateness and redirect if necessary.
