

WESTMINSTER  
CHRISTIAN ACADEMY

ANNUAL FUND 25-26

*Every Family. Every Year.*

# CELEBRATING THE LAUNCH OF THE LOWER SCHOOL BUILDING

The opening of our new Lower School Building has been a tremendous blessing to the entire Westminster community. After many years of planning and prayer, this vision has finally become a reality! The additional space provided by this project has enriched the experience of every Westminster student, enhancing learning, connection, and growth across our campus. We are deeply grateful for the generous support of our school community that made this possible. This beautiful facility stands as a testament to God's goodness and faithfulness to Westminster Christian Academy.

# THE DEN

The interior of the current Field House building will be opened up into one large room and transformed into The Den. This space will allow our students to gather for lunch and also provide additional large gathering space on campus. Not only will students have a new place to eat, but we will also gain a much-need large meeting room on campus for parent events, athletic team gatherings, fine arts practices and other events.

This project will also include expanding the outdoor seating area on the front and side of the building for students to enjoy the beautiful Georgia weather! Finally, we will expand the concessions area of this building to provide an upgraded space for concessions for athletic events.

# TENNIS COURTS

Currently, Westminster must rent courts at local public parks for our tennis teams to practice. Not having tennis courts on campus creates many challenges for our players, coaches, and families. Our vision is to build six on-campus tennis courts, along with bathrooms and additional parking, providing a true home for our tennis program. These new courts will also serve our physical education classes, summer camps, and a variety of other school and community activities—benefiting students across all grade levels.

# OUR RESERVES

Westminster is committed to long-term financial health and stability. Maintaining strong financial reserves ensures that our school remains sustainable for generations to come. Healthy reserves allow us to be prepared for deferred maintenance projects and to navigate times of economic uncertainty with confidence.

By building these reserves, we're able to use our annual budget directly to serve our students and families—supporting the mission and daily operations of the school while planning wisely for the future.

# GIVE TODAY: GOAL OF \$1 MILLION

We encourage every family to prayerfully consider giving towards the Annual Fund. The Annual Fund helps us continue to improve our campus and facilities, athletics and fine arts programs, and overall Westminster experience for our students, staff, and families. Thank you for partnering with us through your giving as we seek to equip students with the knowledge and skills to fulfill God's unique purpose for their lives! We could not accomplish our mission apart from you.

Visit [www.wcalions.org/support](http://www.wcalions.org/support) to give today! As a 501(c)(3) organization, your gifts to Westminster are tax-deductible. Families have given in many ways over the years, including cash, stock, land, and in-kind gifts.

**WHEN EVERY FAMILY PARTICIPATES EVERY YEAR, MUCH CAN BE ACCOMPLISHED. EVERY GIFT, LARGE OR SMALL, TRULY MAKES A DIFFERENCE.**

## EVERY GIFT MATTERS

Gift Level	# of Gifts	Total from Level	Cumulative Total
\$100,000	2	\$200,000	\$200,000
\$50,000	4	\$200,000	\$400,000
\$25,000	6	\$150,000	\$550,000
\$10,000	10	\$100,000	\$650,000
\$5,000	20	\$100,000	\$750,000
\$2,500	40	\$100,000	\$850,000
\$500	100	\$50,000	\$1,000,000
		\$1,000,000
