

*“A young girl will seek her father’s love first at home. If she doesn’t find it, she will seek it elsewhere.”*  
*James Dobson*

Hi, Dads!

On behalf of the Father / Daughter Dance Committee, we are once again thrilled that you will be attending the Seventh Annual WCA Father / Daughter Dance. The Dance gets more fun and more meaningful every year – not to repeat myself, but I think you will find that it is one of the best nights you will ever have with your girls! To help make this night extra-special, we have put together a (non-exhaustive) list of hints and things you may want to consider:

1. ***What Do People Wear?:*** Dress at the Dance varies widely. Most of the young ladies wear dresses or pants-suits (anything from what you would wear to church to what you would wear to the prom). Most fathers wear coat-and-tie but that certainly is not required. Whatever you wear, your daughter should get the message that this is a grand occasion!
2. ***What About Our Coats?:*** There will be a coat check where everyone can leave their coats if it is cold.
3. ***What About Dinner?:*** Most Dads take their daughters out to dinner before the dance. There will be light refreshments at the Dance.
4. ***Should I Get Flowers?:*** A corsage or bouquet of flowers for your daughter is a terrific idea. Most girls in past years have had a flower of some type. The type of flower you get really depends on what you and your daughter want. We suggest coordinating flower types with your daughter’s classmates so that no one feels “left out.”
5. ***What About Pictures?:*** WCA will have a photographer set up in Mrs. Stephens classroom in the upper school. You often have to prepay for these so you may want to bring a check or credit card in.
6. ***Questions?*** Feel free to contact Heather Howard at (678)559-8225 or email her at [hhoward@wcalions.org](mailto:hhoward@wcalions.org), or speak to any Dance Committee Member.

**We are looking forward to an exciting, uplifting evening – see you there!**
